THE LOCATION

SODIC BUSINESS DISTRICT

Downtown Cairo is connected to SODIC West via a number of smooth and newly renovated highways. The 26th of July Mehwar connects the Cairo-Alexandria Road to the heart of Cairo; from there; in a matter of minutes you reach The Portal. Additionally, the Dahshour Road that connects SODIC West to 6th of October City, cutting through Juhayna Square. The soon-to-be-finished, eight-lane highway, Rod el Farag Mehwar will also link Westtown to downtown Cairo, making the commute faster, easier and completely hassle-free.

The Portal occupies a strategic location in the northeast end of Westown adjacent to The Polygon. From the North it overlooks the Cairo-Alexandria Desert highway, from the South it has unparalleled views of 44 metre-wide Pedestrian Green Spine, which begins at the centre of Westown, and courses through the Westtown Residences neighbourhood all the way up to Westtown Hub, SODIC West's newest entertainment hub. It is also a short walk away from The Courtyards, Forty West and Allegría.

THE PORTAL

With a catchment area of over 40,000 people, a suburb the size of SODIC West requires a conveniently located business district to accommodate its growing employee base, not to mention meet the increasing corporate demand for purpose-built office space in West Cairo. In 2009, SODIC West launched The Polygon, its first business park in Westtown designed by award-winning architects Wilkinson Eyre. In response to ongoing demands for premium office space, The Portal is now available, offering unique designs and groundbreaking features, completing the Westtown Business Park arena.

QUALITY STANDARDS

The demand for upscale office space is continuously on the rise. And The Portal is designed to meet that demand through its international-standard business development, offering a myriad of office amenities and flexible areas that cater to all types of businesses.

With an identity that hinges on three key values: Experience, Networking and Success, The Portal promises unparalleled work experience and unprecedented networking opportunities, such that businesses of all sizes may further grow and succeed.

MASTERPLAN

The 31,300 SQM business complex brings forth two premium commercial and retail buildings that boast Class-A office spaces, soon to be bustling with commercial activity from the ground up. It has been designed with flexible area-offerings to take in all sorts of businesses, from global corporations to small start-ups.

The Portal overlooks The Polygon.

The Portal's proximity to the rest of SODIC West's facilities offers business professionals an unrivalled work experience in the heart of Sheikh Zayed's most progressively dynamic mixed-use development.

The Portal overlooks the Landscaped Pedestrian Green Spine.

The Portal is more than just a fancy looking office building where employees spend their daily 9-5 at their office. As workplaces become a second home, we've ensured you can multitask throughout your day to be as productive as possible. Drop off your laundry at the on-site dry cleaning service and pick it up by the end of the day, order a snack from the onsite-delicatessen and enjoy it on the terrace. Parking is also hassle-free, with the two-level dedicated underground car park.

ACCESSIBILITY

The Portal is strategically situated to be close to everything retail allowing employees to enjoy their post-work time in the surrounding areas. Medical and fitness facilities are also conveniently accessible from the business district. For residents of Sheikh Zayed City, The Portal along with all Westtown's leisure amenities are accessible minutes by car.
